The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 11. does NOT place the application in condition for allowance because: Applicant argues on page 6 second paragraph, "there is no disclosure or suggestion of uploading said first list to a server for selecting the new contents items to be downloaded to the user device." However, examiner respectfully disagrees. Brown discloses on (column 2 lines 9-13) a system capable of loading loading information of the user in a storage device. Moreover, Kazami discloses in figure 4 a system capable of uploading (presenting) an image file anticipated to be deleted by the second automatic deleting means (6), and inquires as to whether the deletion operation of the image file is approved. This clearly shows a system that uploads image files for allowing a user to determine whether the data should be deleted or not (column 4 paragraph (0067)).
